

PARSON'S PADDOCK

Background Information

Langhorne Creek has long been regarded as one of South Australia's best red wine producing regions. Plantings were relatively small until the mid 1990s, when vineyard plantings increased and the area became one of the state's key viticultural regions

Tasting Notes

The wine has lifted aromas of spice, dark cherry and plums, with a rich, full-flavoured palate of forest fruits and vanilla, finishing with soft tannins and excellent length. It tastes great now and will reward those with patience.

Winemaker's Notes

Selected Shiraz from premium vineyards throughout Langhorne Creek was vinified using a combination of fermentation styles and French and American oak, to highlight the regional characteristics.
